

QUALITY POLICY

T3 Security Ltd was established in 2012 to provide manned guarding and electronic security solutions to the security industry.

Quality is important to our business because we value our customers as well as all other stakeholders. We strive to provide our customers with products and services which meet and exceed their expectations.

We are committed to continuous improvement and have established a Quality Management System (QMS) which provides a framework for measuring and improving quality performance.

T3 has established the following Quality Objectives

- To improve customer satisfaction
- To improve staff satisfaction
- To maintain a compliant approach to business
- Financial stability

We have the following policies and procedures in place which align to our quality system and supports our quality goals:

- Regular gathering and monitoring of customer feedback
- A strict corrective and preventative action procedure
- Selection and performance monitoring of the entire supply chain
- Continuous training and development of employees
- Regular quality audits of our internal processes
- Measurable quality objectives which reflect our business aims
- Management reviews of audit results, customer feedback and complaints

Our internal procedures are reviewed regularly and are held in a 'Quality Manual' which is made available to all employees.

Management has ultimate responsibility for Quality, but we ensure all employees understand their responsibilities within their own areas of work to help ensure that Quality is embedded within the whole company.
